FOOD MENU – HOME EDITION DOWNLOADED FROM OUR WEBSITE

This copy of our Food Menu was revised on 3/21/13 and may, or may not be the most recent version.

PLACING TAKE-OUT ORDERS

The Vortex is a neighborhood bar. It is not really a “take-out” restaurant, so our “dine-in” guests will always be our first priority. That’s why we may suspend take-out orders during our peak business periods. Sorry, but when we’re really busy in-house, that’s just the way it has to be. Don’t cry. Don’t throw a fit. That won’t change anything, and it’s just going to make you look like a spoiled little whiner. If we don’t answer the phone, that is a pretty good indication that we are too busy to take “to-go” orders at the moment.

Please Note: After 8:00pm nightly, take-out orders can **ONLY** be placed in-person, at the bar.

When we are accepting phone-in to-go orders, you can help assure your complete satisfaction with the experience by following the simple five-step instructions below:

1. CALL THE RIGHT LOCATION

Pay attention to which Vortex location you call to place your order, because that is where your food will be waiting for you. People often show up in Midtown, after having placed their order with Little 5 Points. Oops. That can be a real bummer when you’re hungry.

2. HAVE YOUR ORDER READY

When the restaurant is busy, we just don’t have time to wait while you ask every member of the I.T. Department what dressing they want on their salads, so please have your order complete before you call. Think of all the various options – like burger temperatures, side dishes, bread selections, salad dressings, etc., etc., etc.

3. COME AND GET IT

We will give you an approximate pick-up time for your order, so if your food sits around and gets cold and soggy, it’s your own damn fault.

4. DOUBLE-CHECK IT

Always check the contents of your order before you leave. Nobody is perfect 100% of the time, and our Take-Out Expediter could have made a mistake, so double-check it. We will **NOT** be responsible for errors or missing items once orders are removed from our premises, because that’s the oldest scammer trick in the book. Sorry.

5. GO BACK TO YOUR LAIR

If you order food to-go, you can’t eat it in the restaurant, that’s why it’s called “take-out.”

TAKE-OUT FEES

A 5% packaging fee is added to all take-out orders. An additional 10% is added to orders of 15 or more items. If your order is much bigger than that, you should really consider contacting a caterer.

TAKE-OUT ALCOHOL

By law, alcoholic beverages can **NOT** be sold “to-go,” with the exception of opened bottles of wine that are not finished by patrons when dining in-house. These bottles may be re-corked and taken home by the customer.

ADULTS ONLY IN THE VORTEX

In July of 2005 the “Georgia Smoke-Free Air Act” was passed. As a result, every restaurant owner in Georgia has been forced to choose between admitting minors or allowing their customers the option to smoke. Guess which option we chose? As it turns out, a majority of our patrons really enjoy eating, drinking and socializing in an “adult-only” environment. Therefore, you must now be at least 18 years old to enter The Vortex at any time.

◆◆◆ BYPASS BURGERS ◆◆◆

We introduced our Coronary Bypass Burger™ in the 1990s, and we have been imitated ever since. So beware of sleazy counterfeits. The Vortex is the true originator of these heart-stopping mega-burgers.

CORONARY BYPASS™ 11.95

Our big half-pound sirloin patty topped with a fried egg, three slices of American cheese, and four slices of bacon. We'll provide plenty of mayo for this burger, which we highly recommend you use. And yes, it comes with a side item too.

DOUBLE CORONARY BYPASS™ 16.95

Twice as ridiculous as the Coronary Bypass! Topped with two fried eggs, six slices of American cheese, and eight slices of bacon, served between two grilled cheese sandwiches that we use in place of the regular hamburger buns.

TRIPLE CORONARY BYPASS™ (aka THE SUPER-STACK) 28.95

It becomes difficult to even describe this, the most preposterous of our Bypass Burgers. It's sort of a Coronary Bypass surrounded by a Double Coronary Bypass. Sort of. We guess all you really need to know is that we use three burger patties, three fried eggs, fourteen slices of American cheese, and ten slices of bacon, all packed between two grilled cheese sandwiches. Figuring out how to add condiments is completely up to you. It's served in a big bowl of french fries *and* tater tots covered, in lots of our Cheesy-Cheese Goo. Enjoy!

◆◆◆ OMFG BURGERS ◆◆◆

MEAT PACKER MELT™ 11.95

Two grilled sirloin patties, pulled, smoked pork, bacon, sliced ham, turkey, cheddar cheese, and whiskey pimento cheese, all covered in Vortex barbecue sauce and crammed between two burger buns. So much meat! Oh... Oh, yeah!

HANGOVER HELPER™ 19.95

Two sirloin patties served open face on Texas toast, topped with grilled ham, two fried eggs, American cheese, and bacon, all nestled between a serving of tots and fries, and then we cover the whole damn thing with our white sausage gravy.

SUPER HIPPIE VEGGIE BURGER 8.95

We make our veggie burgers from scratch using garbanzo beans, egg, corn, peppers, onions, celery and secret spices. We cook them up and top them with mixed greens, tomato, and spicy garlic mayo. It's like riding a baby unicorn over a beautiful rainbow into a sunny vegetable garden of happiness.

DY-NO-MITE TURKEY BURGER 9.25

CHICKEN BREAST OF LOVE 9.95

We love all of our customers, and you can taste that love in this 6-ounce breaded, fried chicken breast, topped with lettuce, tomato, onion, and sliced dill pickles. We're all about the love, people. And the breasts. Let's not forget the breasts.
