ADULTS ONLY IN THE VORTEX

In July of 2005 the “Georgia Smoke-Free Air Act” was passed. The Vortex continued to offer the option to smoke cigarettes, so we were required by law to deny access to anyone under 18. As it turned out, the vast majority of our patrons loved and supported this change. So in an attempt to further improve customer service, and streamline the effectiveness our operation, effective **1/1/2015** The Vortex will be restricting access to persons 21 and over.

SINGLE MALT SCOTCH (28 Varieties) – Measured 1.5 oz. Pour

Single Malt Scotch is malted-barley whisky produced in a single distillery. Scotch, which can legally only be made in Scotland, must be aged at least 3 years and be no less than 40% ABV. That is true for blends as well. Scotland is divided into the six (6) whisky producing regions listed below. Variations in flavor profiles are the result of many factors including the use of specific raw materials, climate and subtle differences in production techniques.
