BAR & GRILL

FOOD MENU – HOME EDITION DOWNLOADED FROM OUR WEBSITE

This revision of our Food Menu was made on 10/1/12 and may, or may not be the most recent version.

PLACING TAKE-OUT ORDERS

The Vortex is a neighborhood bar. It is not really a “take-out” restaurant, so our “dine-in” guests will always be our first priority. That’s why we may suspend take-out orders during our peak business periods. Sorry, but when we are really busy in-house, that’s just the way it has to be. Don’t cry. Don’t throw a fit. That won’t change anything, and it’s just going to make you look like a spoiled little whiner. If we don’t answer the phone, that is a pretty good indication that we are too busy to take “to-go” orders at the moment. **Please Note:** After 8:00 pm nightly, take-out orders can **ONLY** be placed in-person, at the bar.

When we are accepting phone-in to-go orders, you can help assure your complete satisfaction with the experience by following the simple five-step instructions below:

1. CALL THE RIGHT LOCATION

Pay attention to which Vortex location you call to place your order, because that is where your food will be waiting for you. People often show up in Midtown, after having placed their order with Little 5 Points. Oops. That’s a real bummer when you’re hungry.

2. HAVE YOUR ORDER READY

When the restaurant is busy, we just don’t have time to wait while you ask every member of the I.T. department what dressing they want on their salads, so please have your order complete before you call. Think of all the various options like burger temperatures, side dishes, bread selections, salad dressings, etc., etc., etc.

3. COME AND GET IT

We will give you an approximate pick-up time for your order, so if your food sits around and gets cold and soggy, it’s your own damn fault.

4. DOUBLE-CHECK IT

Always check the contents of your order before you leave. Nobody is perfect 100% of the time, and our take-out expediter could have made a mistake, so double-check it. We will **NOT** be responsible for errors or missing items once orders are removed from our premises, because that’s the oldest scammer trick in the book.

5. GO BACK TO YOUR LAIR

If you order food to-go, you can’t eat it in the restaurant, that’s why it’s called “take-out.”

TAKE-OUT FEES

A 5% packaging fee is added to all take-out orders. An additional 10% is added to orders of 15 or more items. If your order is much bigger than that, you should really consider contacting a caterer.

TAKE-OUT ALCOHOL

By law, alcoholic beverages can **NOT** be sold “to-go,” with the exception of opened bottles of wine that are not finished by patrons when dining in-house. These bottles may be re-corked and taken home by the customer.

CUSTOMER FEEDBACK

In an effort to constantly improve our operation we always welcome your comments. You can contact the owners directly through our website, at: www.TheVortexBarAndGrill.com. ADULTS ONLY IN THE VORTEX

In July of 2005 the “Georgia Smoke-Free Air Act” was passed. As a result, every restaurant owner in Georgia has been forced to choose between admitting minors or allowing their customers the option to smoke. Guess which option we chose? As it turns out, a majority of our patrons really enjoy eating, drinking and socializing in an “adult-only” environment. Therefore, you must now be at least 18 years old to enter The Vortex at any time.

BORRACHO NACHOS 8.75

You'll need to grab a fork to dig into this massive pile of crispy fried tater tots, covered with Meaty Firehouse Chili, Cheesy Cheese Goo, fire roasted salsa, chopped lettuce, black olives and sour cream. Drunk people really seem to love this stuff. Don't worry. If you can't handle this much awesome, or if you're sober, we can replace the tots with tortilla chips. And we'll add jalapenõs, by request. **(Add guacamole for 2.25)**

CHEESY-CHEESE GOO 6.95

A cup of our famous melty, gooey, cheese dip served with a choice of french fries, tater tots **or** tortilla chips for your dippin' pleasure. It's so good, you'll be begging us for big, hot mouthfuls of goo. But have a little self-respect. You don't have to beg. Just ask nicely. **(Add chorizo for 1.50)**

GONE WITH THE WINGS 9.95

A dozen deep-fried chicken wings tossed in your choice of Spicy Honey Barbecue **or** Original Buffalo Wing Sauce. We serve them with a side of blue cheese **or** ranch dressing and some celery. With wings this tasty, you'll never be hungry again.

MAC 'N' CHEESY-CHANGA™ 7.95

We stuff a big flour tortilla full of mac 'n' cheese and barbecued pulled pork. Then we deep fry it, slice it for sharing, top it with our famous Cheesy Cheese Goo, and serve it with a side of barbecue sauce. It's insanely good. While you don't have to be crazy to eat this, it probably wouldn't hurt. Oh, and you're welcome.

CAJUN PIGGY BACKS 6.95

Fresh pork rinds cooked to order, then Cajun-seasoned right out of the fryer, when they're still piping hot. If that wasn't enough, we serve them with a New Orleans-made pepper jelly that has been blessed for love, luck and divine favor by a Voodoo Priestess. Pork rinds that guarantee good juju. Only at The Vortex.

SWEET 'TATER BUTTONS 7.95

These little buttons of love are scooped right out of sweet potatoes and fried into submission. We serve 'em with your choice of sticky, sweet marshmallow sauce **or** Tasmanian pepperberry sauce. They'll remind you of a happy holiday meal, but without all the annoying in-laws.

HILLBILLY FRY-DILLIES 6.75

Crispy, crunchy dill pickle spears, battered, bread-crumbed and fried to perfection. Served with a side of spicy jalapeño ranch for dipping. Just like your sweet old Mee Maw used to make.

TEXICAN TURNOVERS 7.95

Two folded savory fried pies, stuffed with seasoned grilled chicken, black beans, cheese, cilantro and onion. We cut 'em in half and serve them with a side of fire roasted salsa and guacamole. We've gone so far south, it's almost south of the border.

CHEDDAR BALLS O' GLORY 7.25

A big serving of beer-battered, deep fried balls of cheddar cheese, served with jalapeño ranch dressing. Our BFF Caitlin says these are by far the tastiest balls she's ever put in her mouth. Don't pretend you don't know exactly what she's talking about. Just bite our cheesy balls.

DIXIE FRIES 7.25

A heapin' helpin' of french fries, topped with melted jack & cheddar cheese, our homemade white sausage gravy and crumbled bacon. The Canadians call their version "poutine," but y'all know a big sloppy plate of kick-ass like this could only come from the Heart of Dixie!

CRAB TANG-POON 8.95

These delicate Asian dumplings are filled with cream cheese, finely puréed crab and garlic. They're flash-fried and served with sesame soy **and** sweet pepper dipping sauces. An ex-Geisha girl actually makes these dainty pastries for us with her tiny Japanese hands. Really.

MEATY FIREHOUSE CHILI

Our Meaty Firehouse chili is made with ground sirloin, chipotle & habenero peppers and a secret combination of seasonings, but no beans, 'cause it's meaty. It has a nice level of heat, but it's flavorful, not crazy or over the top. If you think it's too spicy you are a big sissy and should be ashamed of yourself.

Get a cup for **3.95** or a bowl for **4.50**

WHITE CHICKEN CHILI

Our version of classic American White Chicken Chili is made with chicken, garbanzo beans, peppers, black beans, onion and cilantro all cooked in a seasoned chicken stock. It is slightly smoky with a little bit of heat. It is lighter, and lower in calories than our traditional beef-based chili, if you care about that sort of thing.
