Placing Take-Out Orders

At The Vortex, our “dine-in” guests are always our first priority so we may suspend phone-in take-out orders during peak business periods from time to time. If you are going to phone-in a take-out order, please review our menu first, and have your order complete before calling because we don’t have time to wait while you ask all your co-workers what dressing they want on their salads. Pay attention to which Vortex location you telephone, because that is where your food will be waiting for you. Take-out orders are generally ready within 20 minutes, so if your food sits around and gets cold and soggy, it’s your own damn fault. Always check the contents of your order before you leave. We will NOT be responsible for errors or missing items once orders are removed from our premises. A 5% packaging fee is added to all take-out orders. An additional 10% is added to orders of ten (10) or more items. If you order food to-go, you can not eat it in the restaurant, that’s why it’s called “take-out.” Alcoholic beverages can not be sold “to-go,” with the exception of opened bottles of wine that are not finished when dining on-premise. They may be re-corked and taken home by the customer.

The Vortex Bar & Grill has earned a reputation for having the Best Burgers in Atlanta, a huge beer & spirit selection, really terrific bar food and a no-nonsense style. We take pride in offering our customers superior food and drink at reasonable prices, and we strive to provide an enjoyable atmosphere along with professional and efficient service.

**ALL WE ASK IS THAT YOU DON’T COME IN HERE AND START ACTING LIKE A DAMNED FOOL!**

We suggest you review the Vortex policies below. Enjoy your visit, stay out of trouble and play nicely with others.

**STUFF YOU REALLY NEED TO KNOW**

**IDIOT-FREE ZONE (VORTEX RULE #1)**

At The Vortex Bar & Grill the customer is NOT always right. We reserve the right to refuse service to anyone, especially if we think that you're a great big jerk. We strive to keep The Vortex an official “Idiot-Free Zone” at all times. So if you're acting like an idiot, we'll be sure to let you know, right before we toss your silly ass out.

**WARNING**

The Vortex is not politically correct. If you are easily offended, there's a good chance you'll be offended here. Consider yourself warned.

**READ OUR MENUS**

Everything you need to know about our food and beverage selection is printed somewhere within our menus. Please read them thoroughly. If you ask us stupid questions we will be forced to mock you, mercilessly.

**SMOKING & AGE RESTRICTION**

The Vortex is proud to accommodate non-smokers and smokers alike, and we will continue to do so as long as this choice is not taken away from small business owners by evil zealots and petty bureaucrats. Believe us, they’ve tried. In accordance with The Georgia Smoke-free Air Act of 2005, you must now be 18 or older to enter The Vortex at any time (ID required). If you cannot tolerate being around any type of smoke, we suggest you go somewhere else. If you are going to smoke, make sure you know where our designated smoking areas are. We do not allow the smoking of cigars, pipes or clove cigarettes at any time.

**CELL PHONE ETIQUETTE**

Cell phones are a part of modern life, so we can't really ban them. And you are free to be as rude to your friends and dining companions as you’d like, but if you expect our staff to serve you, then you need to get off the damn cell phone. Vortex employees won’t talk to anyone using a cell phone at our host stand, tables or at the bar. Seriously, we will totally ignore you. In fact, using a cell phone while trying to place an order may result in bodily injury or death.

**PEAK HOURS AND SEATING**

If we are on a wait for tables, politely give your name to the Host or Hostess. This is the only way that you will get a seat. Be advised that we will NOT seat incomplete parties during any peak business periods, at our sole discretion. We know all your little tricks too, so don't even try them. And don’t ever come in here and start moving the furniture around like you own the place or we’ll slap you like a red-headed stepchild. If your group has special seating needs, please let the Manager, Host or Server help you. Really, we want to help you.

**特殊订单及额外**

The Vortex is a true short-order kitchen. We will gladly prepare special orders whenever it is possible. If you order something that is not on our menu, and we do make it for you, we’ll charge you whatever damn price we want to, and you’ll thank us for it. If you request extra stuff, that's no problem either, but you will be charged for it. Do you think we get any of this stuff for free? We don’t. Requested deletions will not reduce the price of any menu item.

**新鲜食品准备通知**

All our menu items are fresh, and cooked to order. We strive to have food to your table within 20 minutes but if we are very busy your order may take a little longer. Any well-done burgers will also increase your wait time. You see, a half pound of fresh, raw sirloin actually has to cook. Nothing at The Vortex ever sits under a heat lamp. This ain’t fast food, it’s good food.

**返回政策**

We are always happy to correct errors, but we are not in business to provide FREE samples. Any food or cocktail that is prepared correctly may not be returned because you “just don’t like it.” And we will determine what “prepared correctly” means. You can always share the item with the less fussy people at your table.

**付款**

Cash is great. We also accept most major plastic. Sorry, but we do NOT accept personal checks or traveler’s checks. (Really Gramps? Traveler’s checks?)

**TIP OR DIE**

Please help us maintain a quality staff. Tip them. Tipping is how our Servers earn their living. If you think tipping is a scam, then buy yourself a TV dinner, stay home and watch wrestling. Just don’t come here.

**SEPARATE CHECKS & ADDED GRATUITY**

If you would like a separate check, please notify your Server when placing your order, otherwise you’re just gonna screw up our system. We are not able to offer separate checks to groups of FIVE (5) or more during peak business periods. We will NOT prepare separate checks for parties of TEN (10) or more at ANY time. A 20% gratuity (before tax) will be included on ALL separate checks, and on ALL parties of FIVE (5) or more, but if you really LOVED your Server you may certainly tip on top of that.

**NO WHINING**

Wah, wah, wah! “They wouldn’t let me in without ID.” “I had to pay for parking;” “the music’s too loud;” “the bar is too smoky;” “there were drunk stirpers siting at the table next to me;” “I didn’t like all the rules.” Sorry, but we ALSO enforce a very strict “No-Whining Policy.” So if you don’t like it here, go somewhere else. And if you need to have total control over your environment, then you need to stay home. Crybaby.
