

Dear Merchant—

Thank you for your interest in our Merchant Discount Program. Below is the guidelines for merchant pricing:

- **Yearly purchase requirement \$1000**
- **Initial Purchase amount of \$200—after this no minimum purchase order amount to receive discount.**
- **As a merchant, you will receive a discount code to enter at checkout to receive your discounts.**
- **You will receive all the non-coupon discounts offered on our site (quantity discounts, shipping incentives and special sale pricing). Then with your unique coupon code you will receive an additional discount in the checkout process. Orders under \$450 will receive an additional 10% discount and orders over \$450 will receive an additional 15%.**
- **We will also offer additional specials and discounts that are for our Merchant Customers Only. These discounts are sent via email, so if you would like to receive these discounts, please have us add your email to our merchant email list.**

If you would like to receive Merchant pricing from CutCardStock.com, please email the completed information below to us at admin@cutcardstock.com or fax it to us at 219-734-6032.

If you are an Indiana merchant, who is tax exempt, please include the form ST-105 along with your application. If you have already given us this form, it is not necessary to send another one. Your account will be set up so that when you log in and purchase from us, you will not be charged sales tax.

Please feel free to call us with any questions you may have.

Thank you,

Cindy Crots
