Designer Pet Couture ~ Handmade in England

Limited Edition Designs ~ Bespoke Pieces

by Karen Denney

Introduction

Italian for favourite, Prediletto is the perfect name for a collection designed for the favourite member of the household.

The brand, described as "traditional with a designer couture twist," features limited edition and one-off pieces, as well as **bespoke and exclusive** haute couture for pets all around the world.

Designer Karen Denney has taken the once purely practical traditional-style dog coat and turned it into a **special and original** designer piece through an inimitable blend of exciting fabrics, patterns and detailing.

Only the best fabrics are specially selected to ensure the highest quality.

Each piece of Prediletto Couture is expertly designed and **handmade in England** in the Karen Denney studio, to achieve a superior finish, which means that every coat with the Prediletto name to it is almost as unique as your pet.
